BEST PRACTICE NO 2

Title:

Organizing various Awareness Programmes

Objective:

To inform and spread awareness among the students about important issues of social concern.

To train the students in organizing such awareness programmes.

The Context:

There are several pressing issues in the society such as Cancer and HIV Aids. It is important to spread awareness among the youth of today regarding these deadly ailments. It is also important to train the students in organizing such awareness programmes so that when they go out in the field they can use this knowledge and experience in helping the society to fight with this menace.

The Practice:

Eminent and experienced resource persons working in the specified areas are invited to share their knowledge. Various sessions are organized throughout the year. Students are encouraged and motivated to participate in such awareness programmes.

Evidence of Success:

Students benefit from such awareness workshops which helps them in their field and writing research projects.
